

# Adversity, Trauma and Resilience

## This is my pledge – promote the voice of children and families

### Cllr Fiona Venner

Executive Member for Adult  
and Children's Social Care and  
Health Partnerships

7 June 2021

I pledge to ensure that the voices of children and families in Leeds are heard, to support our continuing development of trusted and compassionate services that are grounded in trauma informed practice.

I am confident that all agencies, in Leeds and beyond, can work together to improve approaches to support for children who may be affected by trauma.
