

# Adversity, Trauma and Resilience

**This is my pledge - To promote the Adversity, Trauma and Resilience agenda with practitioners and colleagues**

**Denise Wheatman**

Health Improvement Specialist  
Public Health, Wakefield Council

Continue to work with and offer training and resources to both Statutory and VCS organisations across Wakefield around Resilience. To emphasise more around trauma informed approaches and being trauma responsive, including how increasing resilience can support children and young people who have /are experiencing trauma and adversity.
