

Adversity, Trauma and Resilience

This is my pledge – continue to support our work in Bradford highlighting the impact of early trauma on children’s development

Gill Thornton

Head of Programme
Better Start Bradford

08/06/2021

I pledge to continue to support our work in Bradford highlighting the impact of early trauma on children’s development.

I also pledge to continue to support the delivery of services to prevent harm, to build resilience and support children and parents dealing with trauma.
