

# Adversity, Trauma and Resilience

## This is my pledge – to ensure that we continue to tackle domestic abuse in the Wakefield district

My Pledge is to ensure that we continue to tackle domestic abuse in the Wakefield district by supporting survivors of abuse through offering effective support, advice and guidance so they can live free from domestic abuse. We will work with survivors of domestic abuse in way in which acknowledges the trauma they may have suffered whilst building on their strength and resilience in order to improve their safety and well-being.
