## Maximise Free School meals awards

**Kerry Maynard**

Welfare and Benefits Service Manager  
Calderdale MBC

July 2021

I pledge that when dealing with **any** application for financial support my colleagues will check and ensure that means tested Free School Meals are awarded where a family is eligible to receive them.

This award generates extra pupil premium funding for the school and also enables parents to access any additional funding provided by the DWP in supporting families.

Families with children in reception and year 1 automatically receive Universal FSM and it is this age group where maximisation is best placed.
